3. **Batters will have the ball placed on the t-ball stand for them to hit by a coach.**

4. **No batters are called out. Everyone is safe.**

5. **Time-out may be called by the defense as long as the defensive player is inside the time line that will be marked on the field.**

6. **There will be half-way lines set up between 1st and 2nd base, 2nd and 3rd base and 3rd base and home plate. This will determine where the runner is placed once time out is called within the time line.**
