

25 Years
of Saving Land

Alamance County Farmland Preservation

Preserving Your Heritage

Many Alamance County farmers and landowners would like to preserve their land for future generations. One way to make sure your farm will always be a farm is to **Donate a Conservation Easement** on your property. The Alamance County Farmland Preservation Board and Piedmont Land Conservancy will be hosting a meeting to inform landowners of a program to assist with the financial cost of Donating a Conservation Easement.

So that we may be prepared with handouts and seating arrangements, **please RSVP by Monday, October 26th, 2015, before 5:00 pm by calling 336 -570-6740.**

Date: Thursday, October 29th, 2015
Times: 2:00 pm and 7:00pm (same program - you need to attend only one)
Location: Alamance County Ag Building
209 N. Graham-Hopedale Road, Burlington, NC 27217

Program Schedule
