

### Polling Place Buffer Zones for Alamance County Polling Places

The following is a list of Alamance County polling places and a description of each buffer zone concerning Election Day electioneering. Buffer zones as designated by G.S. 163-166.4(a), the county board of elections, shall, where practical, set the limit at 50 feet from the door of entrance to the voting place, measured when that door is closed, but in no event shall it set the limit at more than 50 feet or at less than 25 feet. The poll workers will mark buffer zones on Election Day with Poll Distance Marker signs “No Electioneering Beyond This Point” or metal rack signs with covers “No Campaigning or Distribution of Literature Beyond this Point.”
