NEWS RELEASE FOR IMMEDIATE RELEASE

From: Dawn Hurdle
Alamance County Board of Elections
November 5, 2022

“This week a few voters reported that a candidate had not been on their ballot. They did not mention this while voting, but reported it after they voted. Elections staff verified that all candidates that are supposed to be on ballots are correctly listed. Any information a candidate is not on a ballot is not correct. For accurate information about the elections process, please contact the Alamance County Board of Elections.”

The Board of Elections reassures the voters of Alamance County that the names of all eligible candidates are included on all ballots at all early voting sites, absentee by mail ballots and Election Day ballots. Under state law voting equipment must be tested prior to each election, which includes proofing ballots and candidates and this fact is unequivocally verified.
