NEW HOURS FOR MAY MEMORIAL LIBRARY

Alamance County Public Libraries announces new library hours for May Memorial Library. Beginning Tuesday, September 3, 2019, the May Memorial Library branch will be open from 9am – 8pm.

This change is the outcome of a detailed analysis of patron activity over the past two years and is consistent with the closing times of other Alamance County Library Branches. Director of Alamance Libraries Susana Goldman states, “Providing our patrons with staff and library resources continues to be our number one priority. This change allows us to reallocate staff for increased availability to patrons during peak library hours.”

May Memorial’s new operating hours as of September 3, 2019 will be the following:

Monday – Thursday: 9:00 a.m. – 8:00 p.m.

Friday – Saturday: 9:00 a.m. – 6:00 p.m.

Sunday: 1:00 – 5:00 p.m.
