Requesting Materials

- Alamance County Public Libraries is one large collection that is housed at the separate branches. If an item is not on the shelf of your home library, please place materials on hold/request.

Overdue Materials

- Library materials have a due date. However, you will not be charged overdue fines if they are late.
- Twenty-two days after your items are due, the system will age them to Long Overdue. At this point, you will no longer be allowed to check out additional items.
- After 49 days overdue, items will go to Lost. At this point, the cost of the items and the \$5 processing fee will be added to your account. If you return materials after they have been aged to lost, these charges will be waived. If you cannot find the materials, contact your branch for options.

Collection Agency

- Accounts with a balance of \$25.00 or more, or with items 49 days overdue will be referred to a collection agency resulting in a \$10.00 service charge.

Renewing Materials

- Materials may be renewed in person, over the phone or online if there is no hold list for the item. Most materials may be renewed twice (Lucky Day materials may not be renewed at all).

These hotspots connect to either the Verizon network or the Mobile Beacon network (T-Mobile network) and will allow multiple devices to access the internet through connecting to the hotspot. Expectations for Behavior

Alamance County Public Libraries is a place for everyone, shared by the community and used by many different people for widely different reasons.

Here's what we expect of all our users:

- We expect users to respect the comfort and safety of fellow library users and library staff. If your behavior is making others unsafe or uncomfortable we'll ask you to stop.
- We expect users to comply with requests from library staff. If you don't, we reserve the right to suspend privileges and/or access.
- We expect users to comply with local, state, and federal laws. If you break the law, we may prosecute.

If you feel that something or someone is making your experience here uncomfortable or unsafe, please let a staff member know.

Safe Child Policy

- For their safety, children 9 years of age and younger must remain in the company of a parent or caretaker while in the library. Children 9 and under are welcome to attend programs alone, but their accompanying parent/caretaker must remain in the library in case of emergency. Children 9 and under that are found unattended will be monitored by a staff member until a parent/caretaker is located. If unable to locate a parent/caretaker, staff will contact the police.
- Persons of any age with mental, physical or emotional disabilities which affect decision-making skills or render supervision necessary, must be accompanied by a parent or responsible caregiver at all times.

Library staff are not responsible for the supervision of patrons.
